Operating Surgical Tables

Medivion™

Quality Defined

MEDIVION® is one of the prominent ISO 9001:2008 & MSME Regd. Company, specializing in the production of Operation Theater Tables, LED Operation Theater Lights, & Medical Furniture in India, which is continued to be the trendsetter throughout the years of history. From the last 8 years, we have created a proficient niche both in the domestic medical industry. We have the privilege to design and distribute the most sophisticated and technological latest products in the service of medical profession. Our Research and Development department is continuously involved in designing & developing better design and technical solution at the required standard by the customers. We are empowered with an efficient workforce of skilled and dedicated staff. Our manufacturing facilities are located in Kolkata & Haryana, equipped with the latest machinery and all the work is done in house. While continuously increasing the production process, we also continuously improve the product quality. We assure to satisfy you with our quality, workmanship and after sales service as we always do to meet the requests of our valuable customers. We give our customers a tailor made cost for cost effectiveness by keeping close watch at every step in order to give a personalized service. We can also manufacture the equipments according to your required specification as we are the original manufacturers, so please let us know if you need any change. MEDIVION® team is looking forward to sincere cooperation with you. Lets advance and pursue a wonderful future by mutual efforts.
